First Regiment
Massachusetts Volunteer
Infantry Veteran
Association.

Boston, Mass.,

February, 1911.

FIFTIETH ANNIVERSARY
ROSTER.

Brig.-Genl. ROBERT COWDIN, U. S. V.
Col. First Regt Mass. Vol. Infantry.

Roster of Comrades known to be living, and of those whose whereabouts is unknown; many of the latter are undoubtedly deceased, but we never cross off a comrade as dead, unless we have definite information of the *date*, and *place* of his decease; we have had several instances of comrades being found after 30 to 40 years since last heard from; the addresses of some on this roster we had quite recently, but last circular has been returned marked by the post office officials as "moved," "not known, etc." You are hereby appointed *special detectives*, without pay, to help search out the missing ones of your own company, or any others you may happen to know of; don't leave such work entirely to your committee; send the Secretary any straw of information, or your suggestions, as they may lead to striking the right trail. Get into *correspondence* with those comrades you used to be intimate with, exchange views with them about the 50th Anniversary, so as to punch a little enthusiasm into each other. Any information as to probable location of comrades, or their relatives, will be greatly appreciated.

ALBERT S. AUSTIN, *Secretary*. ISAAC P. GRAGG, *President*.
1375 Commonwealth Ave., Boston.

NOTE.—In accordance with the By-Laws of the Association, only the rank held in the *Regiment* is given.
